

ALFRESCO SELECT DECK WARRANTY

Congratulations on purchasing Alfresco Select Deck from our dealer _____.

All Alfresco Select range of decks come with a standard performance warranty of 5 years.

ALFRESCO warrants to the purchaser of ALFRESCO SELECT Decking that the composite decking boards will not split, splinter, rot, or suffer from structural damage from termites for a period of at least 5 years.

ALFRESCO liability is limited only to the replacement of defective product by substituting equivalent ALFRESCO Decking boards. The warranty is to the original purchaser and starts from the original invoice date.

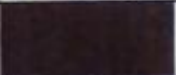

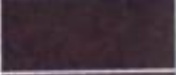

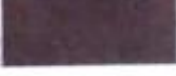

This Warranty does not cover the cost of installation, removal of debris/waste, reinstallation, color variations or fading. The Manufacturer's sole obligation is limited to replacement of COMPOSITE DECKING. only and shall have no further obligation or liability except as stated herein.

Exposure to chemicals, solvents and general damage

WPC is durable and long lasting. It will however be damaged with the application of solvents. Damage arising from staining, painting, accidental spillage of solvents, oils and other chemicals that cause damage is not warranted by ALFRESCO Decking. Damage caused by burns from any source, rust stains, grease spillages and other staining agents such as tree saps and berries as not covered in this warranty.

Color Variation Chart as Per Hunter Scale

Select Range WPC boards will go slightly lighter in the first 3 months of use as a result of UV exposure. Alfresco Decking do not warrant WPC against the fade from UV, it is product characteristic of composite decking. If you are in any way uncertain of this reality we ask that you assure yourself before purchase.

Original Color	ΔE - Color Change (Hunter Lab)

	 Δ10

The Products carry a **5-year limited warranty** when used in standard commercial or multi-family applications. This Warranty is only valid on products purchased and used in the INDIA. This Warranty does not cover costs of installation, removal, or reinstallation. Due to the natural wood Fibres content in the material, when exposed to UV rays a colour variation upto Δ10 in 5 years can be observed. PURCHASE OF THE PRODUCT IS ACCEPTANCE OF THE TERMS OF THIS WARRANTY.

Act of God

The warranty does not cover fire, flooding, lightening and other acts of god.

Failure to install professionally

This warranty is only valid if the installation is done as per our installation instructions and using original installation accessories from ALFRESCO. Installation manual is attached on page no. 4 of the PDF and is also available online on <https://alfrescowood.com/installationmanual>

The deck will last well beyond the warranted time with good care and perfect installation.

Damage in use

WPC decking is durable. It is not indestructible and can be damaged. Scratches and marks caused by use is not covered by this warranty. It is the responsibility of the purchaser to protect the deck from damage, or accept such marks as part of the product character. Marks and scratches in no way damage the integrity of the solid core boards.

Mould

Failure to maintain its cleanliness will create problems of mould growth on the product, which is inherently inorganic and will not create mould. Alfresco Decking does not warrant against mouldy decks caused by dirt on the product. The decking is inherently stable, and yet is not indestructible: Alfresco Decking do not warrant the product against scratches and dents caused by use. If you are unsure of the durability of the product you must assure yourself before purchase and Alfresco Decking make no express claims of fitness for purpose.

Prorated Limited Warranty

This warranty is of diminishing value: it takes account of loss of value resulting from use. Please refer to below

Recovery	5-Yr Commercial/Residential Year of Claim
100%	0-3 years
60%	4 years
30%	5 years

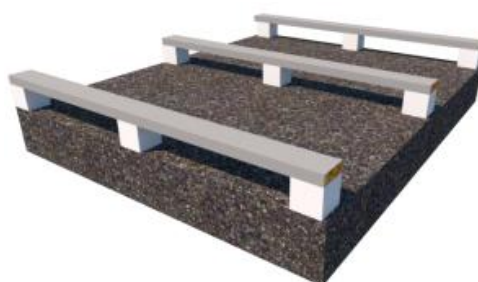

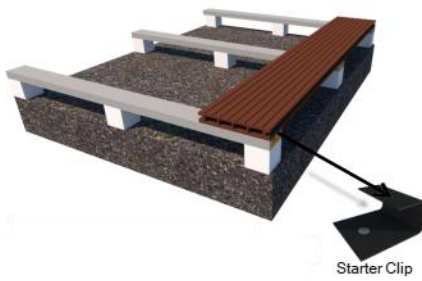

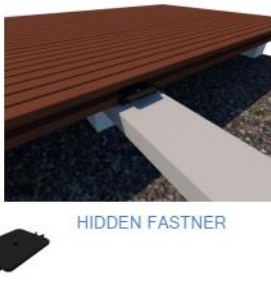

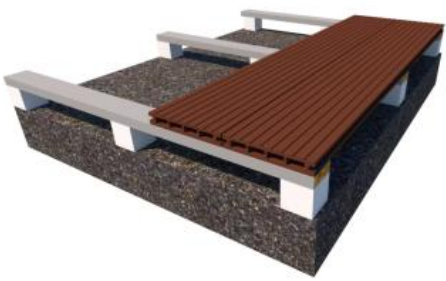

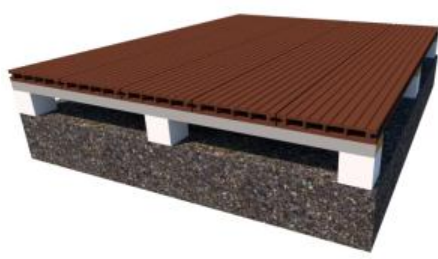

Limitations

This limited warranty is non-transferable from person to person or location to location. The purchaser can present the original sales invoice or receipt that shows the invoice number and the date of purchase. Alfresco Decking reserve the right to decline any warranty claim if a purchase invoice is not provided.

General Conditions

Alfresco Decking will not be responsible for costs incurred with respect of removal of products or alternative replacement materials in any warranty claim. Alfresco Decking liability for non personal injury claims shall not exceed the replacement value of the products. If there is a real issue with the integrity of the product we have sold we will work with you to resolve any failure of our product.

METHODOLOGY FOR INSTALLATION OF DECK

1 	2 
PP Blocks of height 25mm-50mm are to be fixed on the sub floor using Glue to provide raised and dead level sub structure for the deck.	Aluminum hollow profiles of size 50x25mm are fixed over the PP blocks using appropriate screws. Distance Center to Center between aluminum Profiles will be maximum 350mm. The Aluminum hollow profiles are to be filled with wood.
3 	
Using a starter clip the first ALFRESCO composite deck panel shall be fixed without any visible screws.	Decking hidden clip
4 	5 
Install next ALFRESCO composite deck panel using decking hidden clips.	Continue and finish the deck. The ALFRESCO composite deck is ready to use.
